

OurCity
We Plan Growth

THE PROBLEM

- Winnipeg currently lacks an online platform for city suggestions.
- The only options are phone calls or social media posts, which often go ignored.
- This leaves residents feeling voiceless.

OURCITY

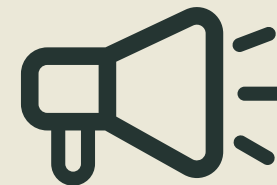

Post Your Ideas

Residents can post their suggestions for city improvements.

Show Your Support

Collaborate with other users through votes and comments.

Have Your Voice Heard

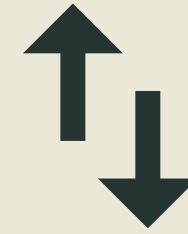

City admin can see what ideas are popular.

KEY FEATURES

POST MANAGEMENT

- Titles
- Descriptions
- Locations
- Images

INTERACT WITH POSTS

Voting

Reddit-like voting system.

Comment

Comment to show support for or critique suggestions.
